MARGARITAS

At Sombra, we take great pride in preparing the perfect Margarita. We use only the freshest ingredients and never use any artificial sweeteners or mixes. Fresh, house-squeezed lime juice and Madhava’s all-natural, gluten-free agave nectar are used as the base for all of our Margaritas. Enjoy it simply with Lunazul blanco tequila, or select one of our other flavors with added ingredients! Either way, you’ll end up with a deliciously refreshing skinny Margarita!
